

On behalf of **Millennium Laboratories &
Arizona Pain Society**

You're Invited
to a Dinner Program

Managing Risk and Optimizing Outcomes in the Management of Chronic Pain

Featuring Lora Brown M.D.

Lora Brown, MD is a dynamic, nationally recognized pain physician, educator, and physician advocate active in state and national associations. Dr. Brown is board certified in anesthesiology and pain medicine, and an expert in interventional spinal pain treatments. She was recently listed in the Top 70 Best in Pain Management Physicians in the United States by Becker's Orthopedic and spine Review and was included in Becker's ASC Review's list of 12 Great Physicians in Florida.

Featuring Darrell W. Contreras, Esq., LHRM, CHC, CHRC, CHPC

Darrell Contreras has 13 years' experience in healthcare compliance and regulatory interpretation. He provides expertise and assistance in melding legal and regulatory requirements into practice operations and assisting providers to understand and comply with Arizona regulations.
